Subject: Worksheet for Thursday's Bristol Bay schedule call
[72111 BB Schedule Worksheet draft.xlsx](#)

I am attaching a rough draft of a detailed schedule for our call on Thurs. We may want to change this quite a bit, but it gives you an idea of the detail I am looking for and some of the questions we need to work through. I didn't see a project outline from Jeff and Glenn but my email is not working and I have no messages from today. I'm hoping we'll have a draft outline by Thurs and Phil will have checked with the contractors, so we can put it all together and come up with a coordinated approach and schedule.

Please be aware that my email is down (I using webmail for this) so call me if you have questions/etc.
